

Create, Share and Excite

Express your creativity by capturing all that you are passionate about on a 1.3-megapixel camera with video and share them with your loved ones via Bluetooth or play them back for your personal enjoyment on the vibrant 2" QVGA display of the Nokia 5000. Listen to your favourite tunes, record them onto your phone from the built-in radio or play games for fun on-the-go.

Features at a glance

- Capture your passions with a 1.3 megapixel camera, with video capture, and playback on a bright 2" QVGA display.
- Listen to music while on the move, pass the time with mobile games, or record your favourites from the

built-in FM radio.

- Share videos, images, and ringtones over your Bluetooth connection

*FM radio recording is only available in selected regions, please check the availability in your region with your local Nokia dealer.
