

## Designed for the way we work

The feature-rich Nokia Calendar and Contacts for Eseries of the Nokia E66 makes time-management a dream. With an orientation sensor for horizontal viewing, single-click switch from business to personal mode, and assisted-GPS, the E66 is truly optimal for the way you work.

### Features at a glance

- Read and react to your emails while on the move, or stay up-to-date and find more with fewer clicks with the feature-rich Nokia Calendar and Contacts for Eseries.
- Make a lasting impression with a sophisticated design, polished stainless

steel surfaces, and distinct finishing touches. Switch from portrait to landscape view with a turn of your wrist.

- Personalize your business and personal home screen modes to quickly switch from work to play.
